We're Back!

It's been over a year since our last newsletter, April 2009, so we are starting a new one online. This newsletter, will be smaller with information about our detachment. Since we have no staff or budget for the paper, I as the Adjutant/Paymaster will, prepare and publish it and make every attempt to get it out before the upcoming months meeting, beginning in August 2010.

You will notice, the other side of this page is the calendar for August. We will update it on our Detachment's website, www.ogdenmarines.org. Corrections or updates to this newsletter will be made there.

Our First Fund Raiser for the Year

Since we did not participate in the Annual Pioneer Day Parade on July 24, we assisted the PFC James may Williams MCLA Unit #445 with a fund raiser (our first for the year). We have been delayed on fund raisers until we got our permit from the Utah Department of Commerce, Division of Consumer Protection. We didn't get many donations, but with our permit, we will be able to set up outside various stores, pass out Marines Roses and solicit with a much better chance of collecting donations. These funds will be used to help us better serve our community and support many other projects.
